Technology at work for you

Connecting your business to the technology resources you need

Professionals are serving professionals.

Advanced Business DEVELOPERS is a leader in the ENT field.

Our customers have relied on us to provide them with complete sales, service and clinical support

Here's how we do it.

Our Advanced Business DEVELOPERS team is dedicated in providing our customers the personal, attentive service they deserve.

Flexible solutions for your business needs

ENT SOLUTIONS

Advanced Business DEVELOPERS can meet the needs of any ENT clinic - from the simplest disposable items to the routine used of surgical instruments and medical equipment.

Advanced Business DEVELOPERS provides quality medical products, excellent customer service and affordable pricing; every order placed is personally processed and reviewed for accuracy by a specialist customer service representative.

Advanced Business DEVELOPERS offers many ENT medical products from top manufacturers in the medical industry

Advanced Business DEVELOPERS has the experience to get the correct product to the correct location at a very competitive price.

Disposables

Advanced Business DEVELOPERS offers a complete line of surgical disposable to meet the needs of practitioners specializing in the diagnosis of ear, nose, throat, head and neck disorders in both the MD and DO communities. Popular ENT disposables include Prostheses for stapedioplasty, tympanoplasty and middle ear surgery, Ear Implants PVA swabs AudioMesh (biomembrane for Neotympanum replacement) Ventilation tubes Suction tubes Internal Nasal Splints, External Nasal Splints / Kit designed

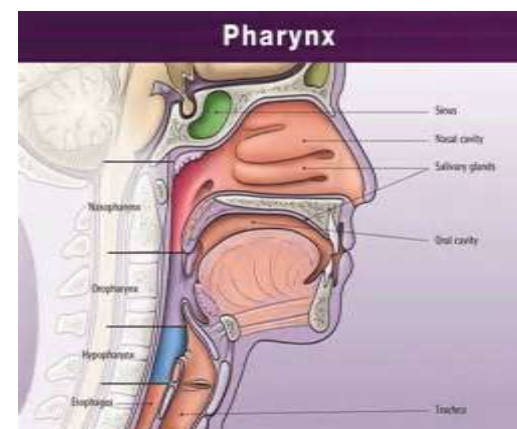

Our customers enjoy custom designed product solutions that take advantage of the broad range of options from our partners, some of the world's leading manufacturers in Audiology, Balance Assessment, Speech and ENT Equipment.

This means top quality, affordable products, and service solutions using some of the most technologically advanced diagnostic testing equipment on the market today

Technology consulting provides a total end to end solution.

APPLICATION TRAINING

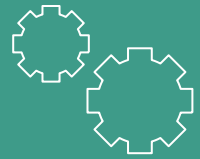

We understand the real benefit for our customers and their needs, that is why we are doing our efforts to maximize it by supporting, education and training.

Resources

Advanced Business DEVELOPERS products offer several resources to help your business run smoothly including:

- Knowledgeable customer service and sales staff
- Sales literature and product catalogs
- Replacement product manuals
- A large selection of products on our website.

AUDIOLOGY CUSTOM SOLUTIONS

We are specialized to provide custom solutions to our valued customers according to their needs

We understand that you have unique hearing healthcare needs based on your interests and lifestyle and we put your care and comfort above all else

VOICE & SWALLOWING DISORDERS SOLUTIONS

Our fully integrated speech solutions support a full range of practices and specialties, allowing clients to improve patient care, streamline work flow and meet objectives while cutting costs, increasing productivity, reducing risks, maximizing profits and realizing significant returns on investment.

EAR, NOSE & THROAT SOLUTIONS

Comprehensive Ear, Nose, & Throat Care
We are able to provide complete care for our customers through our unique products and solution
